Dick Fowler

Compatriots and Friends,

We have been fortunate that time has allowed us to include some pictures of the *Last Naval Battle of The American Revolution* ceremonies.

You can see some of those pictures on pages 10 & 11 of this edition. You can see all of the pictures on the web by going to <http://looklikeben.com/lastnav7/index.html> . To see a slide show go to: <http://looklikeben.com/lastnav7/lastnav7.htm> .

Our thanks to all those that made this event possible. Florida has now taken its place among the ranks of the State Societies hosting nationally recognized events. If you were not able to make it this year, plan on coming next year. This will be an annual event. Here you will be with some of the finest people in the world. There's no people like SAR people!

We had to post the proposed Bylaws changes in this edition, which has forced us to cut down on some other material. Our apologies to those who have submitted material that could not be published at this time.

Dick Fowler, Editor
